

FLORIAN FRIEDRICH

DIRECTOR

BIOGRAPHY

Born: Freiburg, Germany

Based: Munich, Germany

Languages: German, English

After Flo moved to Denmark, where he studied at the European Film College and lived and worked in Copenhagen afterwards, he finally came to Munich, where he studied feature film direction and advertising direction at the Hochschule für Fernsehen und Film. With his final thesis in the HFF advertising class for a cheap Russian SUV, he makes the festival round in 2010/2011 and returns home with many awards, including the Student Award in Gold at the ADC*Europe. In his work as an advertising director, his faibles for conception, rhythm and visual realization come together in a refreshingly unusual style.

Flo lives in Munich with his family.
