BIOGRAPHY

Born: 19.12.1989

Based: Munich, Germany

Languages: English, German

Markus Schindler is a Munich based DoP. After being trained at the LEMAC Rental house in Sydney, Australia (2011) he has gained a broad range of on-set experience working for many years as 2nd and 1st AC, assisting famous DP's and directors such as Joseph Vilsmaier, Gernot Roll and Marcus H. Rosenmueller on their feature projects. Since 2016 he has enrolled in the cinematography class at the University of film and television Munich and focused on his own creative vision by shooting a variety of short films and music videos. In August 2020 his feature film debut "Ausgrissn! - A trip to the strip" (96 min.) a hybrid documentary-fiction Road-movie was released in German theaters and Markus Schindler won the 31th German Cinematography Award in the section "ARRI-Newcomer Price". He loves to see the world and to explore all the beauty that's out there. Markus is very passionate about finding the adequate images for specific projects and loves to invest all his empathy into poetic images unveiling the innermost truth of our existence. He works in fiction and documentary.
